Friday Night – Welcome Speech Chuck

Welcome Speech (Chuck) – YOU ARE AVENGERS-TO-BE , CHUCK

Avengers Quest Camporee: Friday Night Welcome Speech (Leader – "Chuck")

[Leader steps up in front of campfire or stage, pauses for silence, dramatic tone]
"Welcome, Scouts… to the *Avengers Quest Camporee*!
This weekend, you're not just Scouts — you are *Avengers-in-training!*
The world is in danger. The Avengers have sent out a call across the globe for the next generation of heroes — strong in body, sharp in mind, and brave in heart. You answered that call.
Starting tomorrow morning, you will train under the guidance of Earth's Mightiest Heroes. Each Avenger has prepared a unique challenge designed to test a different aspect of what it means to be a hero.
This isn't just fun — it's *training for greatness.* You'll need teamwork, precision, focus, and courage to succeed."

Mission Overview

"Your mission is part of the **Avengers Artifact Quest** — the ultimate test.
The Avengers' powerful artifacts — their shields, hammers, bows, and more — have been scattered throughout camp. Only the most disciplined and unified teams can recover them.
Each artifact represents an Avenger's greatest strength — and each challenge you complete brings you closer to mastering that hero's power."

How It Works

"Tomorrow, the Camporee will be divided into **eight Avengers Training Sessions** — each lasting about 50 minutes, with a short rotation break in between.
You'll visit every Avenger and face a challenge built around their unique abilities:

1. **Forging the Avengers' Arsenal** – where you'll learn teamwork and creativity.
2. **Hawkeye: Archery & Riflery** – testing focus and steady aim.
3. **Shield Throw & Hammer Lift** – combining strength and precision.
4. **S.H.I.E.L.D. Recon & Rescue Mission** – strategy and communication under pressure.
5. **VR Headset Simulation** – training in observation and futuristic awareness.
6. **Welding Workshop** – crafting like Tony Stark himself.
7. **Doctor Strange: Magic & Strategy** – unlocking the power of your mind.
8. **Black Widow Stealth Agility & Black Panther Jungle Survival** – agility, stealth, and instinct.

As you rotate through each session, you'll earn *Infinity Stones* for your troop's vault — each one representing your skill, teamwork, and heart."

Scoring and the Infinity Vault

"Every troop will start with an empty *clear mason jar — your team's Vault.*
Each station has **four sub-challenges**, each awarding a different *Infinity Stone* based on your troop's score. The color and value of the stone reflect how well your troop performed.
Some troops might have 1 scout, others 8 or 16 — but don't worry. Scoring is based on your troop's *average performance*, not your size.
By the end of the Camporee, your Vault will hold the story of your journey — the record of your teamwork, your skill, and your spirit."

Friday Night – Welcome Speech Chuck

Logistics Overview

"Each rotation lasts about **50 minutes**, with **5–10 minutes** to move between stations.
You'll rotate as a troop or pack. At each new station, you'll find four sub-stations led by trained Avengers leaders.
While one troop trains, another will rotate in, ensuring smooth transitions all morning.
By the end of the day, every troop will have completed all **eight Avengers challenges** and earned their collection of stones."

Closing Call to Action

"Scouts — tomorrow, you'll laugh, compete, and get a little muddy. You'll throw shields, lift hammers, dodge lasers, and break barriers.
But most importantly, you'll learn what it *truly means* to be an Avenger — to work as a team, to lead with courage, and to never give up when things get tough.
The winning troop will earn a special Avengers honor… but every Scout who completes the quest will walk away stronger, smarter, and ready for any challenge that comes their way.
So tonight, rest up. Tomorrow — *your training begins.*
The world needs heroes… and the next Avengers may be sitting right here tonight."
"Avengers… assemble!"
